

# The Business Side of Vaccines: Immunization Information You Can Use

Friday, July 30, 2010

9:30am—2:30pm

Sinai Children's Hospital

1500 S. California Avenue

Chicago, IL 60608

This FREE seminar is designed for pediatricians, family physicians, nurse practitioners, office managers and practice billing/coding staff as well as other allied health care professionals caring for children. The seminar will feature local expert faculty presenting topics that highlight ideal business practices related to vaccine financing and reimbursement. The seminar will combine lectures, question-and-answer sessions and networking to allow attendees the opportunity to interact with the faculty in solving the problems encountered in daily practice.
