

What Every Medical Assistant Should Know About Pediatric Vaccines

Friday, June 25, 2010

10am—4pm

Northwestern College—Bridgeview Campus
7725 S. Harlem Ave., Bridgeview, IL 60455

Medical assistants who work with infants, children and adolescents should attend this important seminar on pediatric immunizations and join colleagues from throughout the state for a day of training activities designed especially for medical assistants. The program is **FREE** and includes expert faculty, up-to-date information on pediatric immunizations, and lunch!

PROGRAM SCHEDULE

9:30–10:00am	Registration
10:00–10:05am	Welcome, Overview of Program
10:05–11:00am	Immunization Update – What's New in 2010— <i>Doreen Minnice, BSN, RN</i>
11:00–12:00pm	Vaccine Administration Skills and Techniques – How to Avoid Common Errors— <i>Doreen Minnice, BSN, RN</i>
12:00–1:00pm	Vaccine Storage and Handling, Record Keeping, and Recalls— <i>Kevin Hansen and Marcia Levin, MPH</i>
1:00–1:45pm	Lunch (<i>will be provided</i>)
1:45–2:45pm	Professionalism in the Workplace— <i>Linda Johnson</i>
2:45–3:45pm	Talking With Parents About Vaccines— <i>Priscilla Nkemdi-Robinson</i>
3:45–4:00pm	Wrap up and Evaluations

By attending this seminar, participants will be able to:

- ◆ Describe recent changes to the 2010 recommended and catch-up immunization schedules
- ◆ Explain vaccine preparation and administration techniques
- ◆ Identify strategies to ensure accurate storage and handling of vaccines
- ◆ Review information and tools needed to emphasize with parents and caregivers the importance of childhood and adolescent immunizations and how to properly care for children being immunized

Sponsored by the Illinois Chapter of the American Academy of Pediatrics with funding from the Chicago Department of Public Health Immunization Program and the Illinois Department of Public Health Office of Health Protection.
